Health and care professionals committed to partnership working

Commissioning including ‘more than medicine’
Organisational and supporting processes

Engaged, informed individuals and carers

Commissioning including "more than medicine"

Health and care professionals committed to partnership working
“The partnership with the individual is central to the self management agenda”

“I am the leading partner in the management of my own health”
Technical ‘handshakes’

Directories or ‘Asset Mapping groups’

Hyper local & locally relevant assets’
We want Scotland to be a health literate society which **enables** all of us to have sufficient confidence, knowledge, understanding and skills to live well, on our own terms, and with any health condition we may have.
